

5th Grade Supply List 2023-2024

Welcome to 5th Grade with Mrs. Amie! I am looking forward to a wonderful year ahead with your student and you can get us off to a great start by making sure your child has the following items. **Please bring these supplies with you to Orientation night in August.** The first day of school is spent preparing and organizing for the upcoming school year so having most of their supplies at Orientation Night will help us tremendously to get things going for the start of your child's 5th Grade year. Your child's teachers have thought through this supply list carefully so please help us by getting the items that are listed on both sides of this sheet. Thank you in advance for your help! It's going to be a great year!
