

Summer Reading 2025

5th Grade

Hello 5th-graders!

This summer you are going to read a biography from the Heroes of Faith series. The school has all the books, and you have chosen from those. You may borrow the book and take it home with you over the summer. **You must return it at the start of the next school year; if you lose it, you will have to purchase a new one for the school.** You need to read the book over the summer - BEFORE school starts again. You will have questions to complete with your book over the summer. We will be doing a research project with the book once we return in August. Please bring a copy of the book with you on the first day of school.

Your student chose this book: _____
